**Re: United States v. Oscar Santana Ana Gallegos & Martin Arroyave,
07 Cr. 960 (RMB)**

Dear Judge Berman:

The Government writes to respectfully request an adjournment of the conference scheduled in the above-referenced case for tomorrow, March 6, 2008, at 9:30 a.m. As described to the Court at our last conference, the parties expect that the case will be resolved without a trial, however, the parties need some additional time to work out the details of the resolution. Accordingly, the Government respectfully requests (with the consent of defense counsel for both defendants), that tomorrow's conference be adjourned for approximately 30 days.

The Government also respectfully requests (with the consent of defense counsel for both defendants) that, should the Court grant the adjournment request, the Court exclude the time under the Speedy Trial Act until the date of the conference, because the ends of justice served by excluding time under the Speedy Trial Act outweigh the best interest of the public and the defendants in a speedy trial. See 18 U.S.C. § 3161(h)(8).

Conference is adjourned to 4-3-08 at 3:30 pm.	Respectfully submitted, MICHAEL J. GARCIA United States Attorney
